TEST "INDICATORS TO DETECT AND IDENTIFY CHILDREN AND YOUNG PEOPLE VICTIMS OF HUMAN TRAFFICKING"

CHOOSE THE RIGHT ANSWER (1, 2 OR 3)

A. In case the person detected as a victim is suspected to be under 18:

- 1) She or he will be treated as a minor and the specific procedures for under 18 will be followed.
- 2) First of all the victim will be referred to forensic examinations to determine the age.
- 3) This has to be denounced.

B. The following indicators could point out that someone is victim of human trafficking:

- 1) Fear and difficulty to talk, lies or act following instructions.
- 2) Social isolation: limited contact with other people non-related to the exploitation network.
- 3) Both answers are correct.

C. In the framework of human trafficking for labour exploitation it is usual that the under 18:

- 1) Work in a workplace located in a remote area with difficult access.
- 2) Live and work in the same place, where there are control systems that prevent the departure.
- 3) Have a work contract or a salary.

D. Victims of human trafficking for sexual exploitation may commonly show:

- 1) A submissive attitude and weakness traits.
- 2) Rape or sexual abuse signs in all cases.
- 3) Strong feelings of guilt or shame.

E. The fact that the victim of human trafficking belongs or pretend to belong to a discriminated group (because of their ethnicity, disability, etc.) is a potential indicator of being a victim of human trafficking:

- 1) For sexual exploitation.
- 2) For begging and criminal activities.
- 3) For labour exploitation.

F. Human trafficking for labour exploitation detection is difficult because of:

- 1) Their invisibility.
- 2) Their lack of access to any kind of service.
- 3) Both answers are correct.
