Challenges and limitations of peer to peer methods

Limits:

- Identification as a victim of trafficking: not every victim identifies herself as a victim of trafficking.
- Sensitivity and awareness of each person
- Leader`s skills
- Personal and economic situation
- Emotional condition
- No participant in trafficking: the peer educators should not be in trafficking anymore because of the risks it may involve
- Gender
- Age
- Motivation
- Availability
- Risk factors
- They are not professionals
- They need professional support, the peer educators and also the peer people they are relating to.
