TRANSNATIONAL PROJECT MEETING MADRID SPAIN

11 FEBRUARY 2016

REPORT

At the transnational project meeting in Madrid on 11 February 2016 attended project managers of Association Pro Refugiu, Association Trabe Iniciativas para la Economía Social y Solidaria and Caritas Prague.

The first half of the day was allocated for verification of documents issued by Association Trabe in relation with the activities implemented (activity reports, financial documents, timesheets) and their compliance with the Erasmus guidelines. The verification was performed by the Association Pro Refugiu project manager. Also discussions were focused on the development of good practice guide and major topics that the publication should contain.

The second half of the day was focused on issues linked to implement first multiplier event in Romania (in May 2016) and topics, local stakeholders that should be approached (organizations and institutions with focus on similar target group – victims of human trafficking). Also further financial discussions took place among the managers on planning further costs under the project budget in relation with payment of staff, costs related to the multiplier events that will be implemented in 2016.
